

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 15, 1996

SUBJECT: **HJR 429**

This resolution, if adopted, will require each state government department or agency that is required to publish a cumulative annual report of its findings and recommendations concerning Title VI compliance to present such reports and implementation plan updates to the Tennessee Black Caucus of State Legislators, or an appropriate task force thereof, at the Caucus's Annual Legislative Retreat in November 1996, and at each subsequent Annual Legislative Retreat.

The fiscal impact from adoption of this resolution is estimated to be an increase in state expenditures for any travel related expenses by agencies attending such Annual Legislative Retreat; however, the amount of increase is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
